- (b) membership is ended under Article 4(h)(1); or
- (c) the member's subscription (if any) remains unpaid six months after it is due and the Executive Committee resolves to end that person's membership.

7. **General Meetings**

7.1 Each year, the Association must hold an annual general meeting in addition to any other general meeting in that year. The annual general meeting must be specified as such in the notices calling it. The first annual general meeting must be held within 18 months of the incorporation of the Association after which not more than 15 months must pass between one annual general meeting and the next.

7.2 At each annual general meeting the business shall include:

- (a) The consideration of an annual report or review of the work done by or under the auspices of the Executive Committee and of the audited accounts;
- (b) The consideration of proposals (if any have been made) for altering the memorandum and articles of association;
- (c) The election of members of the Executive Committee to fill any vacancies that have arisen.
- (d) The appointment of one or more qualified auditors (who in each case may be an individual, a Association, or partnership);
- (e) The transaction of such matter as may from time to time be necessary.

7A Electronic Meetings

- 7A.1 The Executive Committee may decide to hold a general meeting, including an annual general meeting, as a physical meeting, an electronic meeting (virtual meeting) or a combination of the two (hybrid meeting).
- 7A.2 Where electronic access to a general meeting is permitted the access must be via suitable electronic means agreed by the Executive Committee, and members accessing the meeting electronically must be able to hear the chair of the meeting speak and have the ability to vote on any resolutions at the meeting in order to form part of the quorum.
- 7A.3 Where an electronic only general meeting is to be called the Association shall not be required to specify in the notice of the meeting the place of the meeting, but it must provide sufficient information to allow members to access the meeting.
- 7A.4 If, after notice of a general meeting is sent out but before the meeting is held, or after the adjournment of a general meeting but before the adjourned meeting is held (whether or not notice of the adjourned meeting is required), the Executive Committee decides that it is impracticable or unreasonable to hold (i) the physical meeting at the declared place or (ii) the electronic meeting on the electronic platform specified in the notice, and/or at the specified date and/or time, or the Executive Committee decides that it is more appropriate, it may change the place and/or electronic platform and/or postpone the date and/or time at which the meeting is to be held. If such decision is made, the Executive Committee may then change the place and/or the electronic platform and/or postpone the date and/or time again if it decides that it is reasonable to do so.
- 7A.5 All resolutions put to the members at electronic general meetings and hybrid general meetings shall be voted on by a poll. Such poll votes may be cast by such electronic or other means as the Executive Committee in its sole discretion deems appropriate for the purposes of the meeting.
- 7A.6 All other provisions set out in these Articles in respect of the calling and holding of general meetings, including (without limitation) the quorum, proxy voting, chairing of the meeting and procedures to be followed, shall still apply save as amended by this Article 7A.
- 7A.7 If a member, due to technological failings, is unable to attend a general meeting electronically or is only able to attend part of the general meeting, this shall not invalidate the meeting. The chair of the meeting shall however have the discretion to adjourn the hybrid or electronic meeting if such technological

failings in their opinion substantially affect the holding of the meeting. All business conducted at the general meeting up to the time of adjournment shall be valid. If the meeting is so adjourned the Executive Committee shall determine the new date for the meeting.

7A.8 The Executive Committee may make any arrangement and impose any requirement or restriction as is necessary to ensure the identification of those taking part in any electronic or hybrid general meeting and the security of the electronic communication and which is proportionate to those objectives. In this respect the Executive Committee is able to authorise any voting application, system or facility for electronic meetings as it sees fit.

7A.9 The Executive Committee may take reasonable measures and may make such regulations as it deems necessary, relating to the holding of electronic and hybrid general meetings from time to time. Such regulations may include, but are not limited to including, provisions relating to etiquette and communication in meetings and voting in meetings.

8. **Extraordinary General Meetings**

8.1 All general meetings except annual general meetings are called extraordinary general meetings.

9. **Calling of Extraordinary General Meetings**

9.1 The Executive Committee may call an extraordinary general meeting whenever they wish. Such a meeting must also be called if 10% of the full members of the Association request it.

10. **Notice of General Meetings**

10.1 An annual general meeting and a meeting called for the passing of a special resolution must be called by giving at least 21 clear days' notice in writing. Other meetings of the Association must be called by giving at least 14 clear days' notice in writing. These notices must specify the place (unless it is an electronic only meeting), date and time of the meeting. If special business is to be discussed, full details or the general nature of the business must be given. Notice of the meeting must be given to everyone entitled by these Articles to receive it.

10.2 However, even if shorter notice is given than that required above, the meeting will be treated as having been correctly called if it is so agreed:-

(a) in the case of an annual general meeting, by all the members entitled

to attend and vote at it; or

- (b) in the case of any other general meeting, by a majority of the members who have a right to attend and vote so long as the majority represents at least 95% of the total membership of the Association members who have voting rights.

11. **Ordinary and Special Business at General Meetings**

- 11.1 At an extraordinary general meeting all business will be treated as special business. At an annual general meeting all business will be treated as special except the consideration of accounts and balance sheets, the reports of the members of the Executive Committee and Auditors, the election of members of the Executive Committee in place of those retiring, the appointment of Auditors, and the fixing of the payments to the Auditors.

12. **Quorum**

- 12.1 Business may be done at a general meeting only if a quorum of members is present when the meeting begins to deal with its business. A quorum is 10% of the members unless shown differently below.
- 12.2 If an electronic meeting is held or members are given the option to access the meeting electronically, a person shall also be considered present if they have electronically accessed the meeting, are able to hear the chair of the meeting speak and have the ability to vote on any resolutions at the meeting.

13. **Adjournment if no Quorum**

- 13.1 If the meeting is called by the demand of members, it must be dissolved if, within half an hour after the appointed starting time, a quorum is not present. If called in another way, the meeting must be adjourned to another day, time and place (or electronic platform) as the Executive Committee may decide.
- 13.2 If at the adjourned meeting a quorum is not present within half an hour after the appointed starting time, the members present will be a quorum.

14. **Chairperson**

- 14.1 The Chair (if any) of the Executive Committee shall preside as Chair at every general meeting of the Association. If there is no Chair, or if he/she

will not be present within 15 minutes after the appointed starting time or is unwilling to take the chair, the members of the Executive Committee present must elect one of their number to be Chair of the meeting.

15. Election of Chair by Members

15.1 If at any meeting no member of the Executive Committee is willing to act as Chair or if no member of the Executive Committee is present within 15 minutes after the appointed starting time, the members present must choose one of their number to be Chair of the meeting.

16. Adjournment of the Meeting

16.1 The Chair may, with the consent of any meeting at which a quorum is present (and must if so directed by the meeting), adjourn the meeting from time to time and from place (or electronic platform) to place (or electronic platform). But no business may be done at any adjourned meeting except business left unfinished at the meeting from which the adjournment took place.

16.2 When a meeting is adjourned for 30 days or more, notice of the adjourned meeting must be given as for the original meeting. Apart from that, it is not necessary to give any notice of an adjourned meeting nor of the business to be done at it.

17. Voting on Resolutions

17.1 At any general meeting a resolution put to the vote of the meeting is decided by a simple majority on a show of hands unless Article 7A.5 applies or a poll is demanded (before or after the result of the show of hands is declared). A poll can be demanded by the Chair or at least two full members who are present. Proxy votes are allowed.

18. Declaration of Chair is Final

18.1 Unless a poll is demanded or Article 7A.5 applies, the Chair's declaration that a resolution has been carried by a particular majority or lost on a show of hands and an entry saying so in the minute book is conclusive evidence of the result. The number or proportion of the votes need not be entered in the minute book.

18.2 The demand for a poll may be withdrawn.

19. When a poll is taken

19.1 A poll must be taken immediately if it is correctly demanded to elect a Chair or to decide upon an adjournment. Polls about other things will be taken whenever the Chair says so. Business which is not the subject of a poll may be dealt with before or during the poll.

19.2 The Chair will decide how a poll will be taken. The result of a poll will be treated as a resolution of the meeting.

20. **Voting and Speaking**

20.1 Every full member has one vote at general meetings of the Association (including the Chair) exercisable by any trustee, employee or other representative of the member concerned (subject to any limitation on the choice of representative of which may be imposed by the Executive Committee in fulfilment of its duties under Article 4(h), save that associate and affiliate members representatives and individual and honorary members shall have the right to participate in general meeting but have no voting rights. If the votes are level, the Chair has a casting vote.

20.2 Each member organisation may appoint observers (who shall not be entitled to vote) to attend general meetings.

21. **Written Agreement to Resolution**

21.1 Unless the law says otherwise, members may pass a valid resolution without a meeting being held. But for the resolution to be valid:

- 22.5 The Executive Committee shall set the terms of appointment (including any remuneration) of any auditor insofar as these have not been set at the annual general meeting under article 7.2 above. Should the auditor appointed at the annual general meeting be unable to accept appointment or unwilling to do so on reasonable terms the Executive Committee may appoint a properly qualified substitute auditor.
- 22.6 The Executive Committee may appoint such special or standing committees as it may deem necessary and delegate any of its powers to such committee and shall determine their terms of reference, powers, duration and composition. All acts and proceedings of such special or standing committees shall be reported back to the Executive Committee as soon as possible.
- 22.7 No member of the Executive Committee shall be liable for any loss to the property of the Association arising by such reason of any improper investment made in good faith (so long as he/she shall have sought professional advice before making such investment) or for the negligence or fraud of any agent employed by him/her or by any other member of the Executive Committee in good faith (provided reasonable supervision shall have been exercised) or by reason of any mistake or omission made in good faith by any member of the Executive Committee or by reason or any other matter or thing other than wilful and individual fraud or wrongdoing or wrongful omission on the part of the member of the Executive Committee who is sought to be made liable.

- 24.3 Only trustees, employees or other representatives of member organisations may be nominated for election under article 24.1 above, and a nomination shall only be valid if the nominee is willing to serve.
- 24.4 Full members shall be invited by notice given at least 21 clear days before the annual general meeting to make nominations for Honorary Officers and other members of the Executive Committee. If prior to any annual general meeting there is a lack of sufficient nominations to fill any elective vacancy further nominations (which must be valid under article 24.3 above) may be proposed and seconded by full members at the Meeting.
